☒ Yes, I want the ability to create and monitor service cases through CrayPort.

Terms and Conditions

Cray Inc. ("Cray") offers an on-line information service called CrayPort to Cray's Customers who have service contracts with Cray. Qualifying Customers receive login information and a password from Cray. Communication costs of participation shall be borne by the Customer.

Customer understands and agrees that the CrayPort login information and password is made available to an individual employed by Customer for the use of that individual only and that the login or password information may not be provided to any third party under any circumstance.

By clicking the Submit button, the individual entering into this Agreement on behalf of Customer is validating that the information entered above is correct, and that the individual and the Customer agree to the stated terms. Upon receipt of this information, account setup and activation will occur within two (2) business days. Customer login information will be sent to the e-mail address listed above.
